

What Participants Shared After Attending An... **HLC's L.I.F.E. Workshops & Spiritual Intensives**

"This weekend ended up being an experience of a lifetime for me. I knew that I was not alone on my journey. I was overwhelmed by the openness and genuine love that was being shared in the room.

I have never experienced so much unconditional love at one time in my life.

Through the exercises I was able to become aware of how tightly I was holding on to trying to control my life and those around me. I learned what it meant by: "The pain of holding on became greater than my fear of letting go" and I finally let go. I highly recommend this experience to anyone who wants to learn about themselves and the fact that we are all connected as one in Spirit!"
